

2017 KENTUCKY PUBLIC TRANSIT ASSOCIATION CONFERENCE AWARDS

The KPTA conference will be held August 13-18, 2017 at the Hyatt Regency Lexington Downtown in Lexington. We will be presenting awards for outstanding services to our peers. This is the opportunity to recognize your system and staff.

Awards will be given in the following categories:

Driver of the Year – for services above and beyond the call of duty

Volunteer of the Year – for service provided in the field of Transportation

Dispatcher of the Year – for dependability and outstanding organizational skill

Nominations can be made in one or more of the specified categories. Please use the enclosed form to provide the committee with the necessary information. We would like the award winners to be in attendance the night of the award presentations.

Why not have your staffs elect the person they feel should get these awards? There are many deserving people out there and they deserve to be recognized.

To qualify, the forms must be returned by July 15, 2017. No nominations will be considered after this date. Send nominations to:
